BOUTELLE IS RETIRED.

Recognition of Services as Chairman House Naval Committee.

WILL HAVE THE RANK OF CAPTAIN.

Widows of John M. Palmer and General Melvain Pensioned—House Continues District Legislation. Proceedings in Congress.

Washington, Dec. 19.—When the senate convened some bills and resolutions passed by the house were reported. Among them was the resolution authorizing the president to appoint Charles A. Boutelle of Maine, captain on the retired list of the navy. Mr. Boutelle for many years has been a member of the house and chairman of the house committee on naval affairs. He was re-elected to the next congress, but in lieu of his being placed on the retired list he resigned his seat in the house. His serious illness for a long time has been a matter of national concern. Mr. Hale (Maine) asked that the resolution be taken up for immediate consideration. No objection was made and the resolution was adopted without a word of comment or debate.

On motion of Mr. Hear (Mass.) the house amendments to the bill relating to taxes in Greer county, Texas, were agreed to thus passing the bill.

Mr. Chandler, chairman of the committee on privileges and elections, offered a resolution to discharge the committee on contingent expenses from further consideration of the resolution authorizing the committee on elections to send for persons and papers in the investigation of the Montana senatorial case. His idea was to get the original resolution before the senate. Mr. Jones (Ark.) objected and the resolution went over.

Mr. Bacon (Ga.) introduced and obtained the passage of a resolution calling upon the secretary of war to transmit to senate the report of Abraham L. Lawshe, "giving in detail the result of his investigation made under the direction of the war department into the receipts and expenditures of the Cuban funds."

Mr. Jones (Ark.) offered a resolution directing the committee on foreign relations to examine the claim of Henry McCoy and report whether the secretary of state should be directed to pay the sum of money claimed by him out of the award in the hands of the state department in the matter of the Delagoa Bay railroad. It was adopted.

Bills were passed granting pensions of \$50 a month to the widows of General John A. McClain and John M. Palmer. After an executive session in which the Hay-Pauncefote treaty was considered, the senate at 2:40 p. m., adjourned.

In the House.

When the house assembled in pursuance of the recess taken it was said the legislative day for the District of Columbia. The purpose of continuing the legislative day was to resume consideration of the bill relative to the terminal facilities of the Pennsylvania railroad in this city against which a determined filibuster was inaugurated. Had the house adjourned the time set aside for the consideration of District of Columbia business would have expired and the bill could not have been again taken up until after the holidays. The opposition agreed to abandon dilatory tactics provided opportunity was offered for amendment and reasonable discussion. With this understanding the consideration of the bill was resumed.

Oleomargarine Bill.

Washington, Dec. 19.—The senate committee on agriculture has begun consideration of the oleomargarine bill which recently passed the house. A majority of those present were opponents of the bill. It was stated that as the friends of the measure had not been heard before the house committee they would be given the preference in the present hearing. The oleomargarine men generally complained of having received very short notices and most of them asked for more time. Hon. W. M. Springer appeared in behalf of the National Live Stock association in opposition to the bill. Congressman Grout and ex-Governor Hoard of Wisconsin were the only persons present supporting the bill. Mr. Grout, author of the bill, went over practically the same ground covered in his argument when the bill was before the house. Mr. Hoard in his argument for the bill said its purpose is to prevent the counterfeiting of food so far as the federal government has power to do that.

Cut Out the Word "Beer."

Washington, Dec. 19.—The subcom-

mittee of the senate committee on military affairs has completed its work upon the army reorganization bill. There are numerous changes. Probably the most important change is the provision favoring the retention of the present regimental organization of artillery and does not give its assent to the corps organization proposed by Secretary Root and accepted by the house. In the matter of appointment of staff officers the bill follows largely the lines of the recommendations made by Secretary Root. The house canteen provision was amended so as to permit the sale of beer at the canteens. This exception was made by omitting the word "beer" from the prohibited articles. The maximum strength of the army is to be 100,000 men.

FLOATING MONTE CARLO.

Syndicate Planning to Fit Up a Ship For a Gambling Hell.

London, Dec. 19.—A syndicate has been formed to buy an obsolete Atlantic liner, fit her up as a miniature Monte Carlo casino, moor her off the English coast just outside the three-mile limit and run a big game on the channel off Brighton, the place chosen. Launches will run back and forward to meet London trains. The boat will be a floating hotel as well as a gambling resort and visitors may live aboard as long as they please in luxurious surroundings. Experienced croupiers will be imported from Monte Carlo, and roulette will be the principal game, played in strict accordance with Monaco rules. The promoters say making money is not so much their object as providing a place where Englishmen can gamble. They reckon the profits of the hotel and restaurant business will be sufficient to pay expenses, so every reasonable concession will be made to gamblers. The cost of the ship and outfitting is estimated at \$250,000, while more than that will be needed to stake the bank.

Bonus Offered For Re-enlistment.

Manilla, Dec. 19.—The Taft commission is still at work on the tariff. Officers here consider that the return of the volunteers will necessitate little abandonment of stations and that congress will provide an immediate increase in the number of regulars. It is believed many volunteers will re-enlist here as bonuses are offered, the amount to be about equivalent to the expense of equipping and bringing out a recruit.

Make It Free-For-All.

St. Petersburg, Dec. 19.—The Novoye Vremya observes that there are evidences of discontent in all the armies including the German, with Field Marshal Von Waldersee's brutality. The paper supports the demand that each army act henceforth on its own responsibility.

ILLINOIS SHIP CANAL.

Report of the Board of Engineers Regarding the Project.

WOULD NOT JUSTIFY THE EXPENSE.

Further Efforts Deemed Inadvisable Unless Coupled With a Plan to Deepen the Channel of the Mississippi Below Illinois River.

Washington, Dec. 19.—The secretary of war transmitted to the house the report of the board of engineers appointed under the last river and harbor act to make a survey and estimates of cost of the improvement of the upper Illinois and lower Desplaines rivers in Illinois with a view to the extension of navigation from the Illinois river to Lake Michigan at Chicago and to report the cost of a channel 10, 12 and 14 feet deep and estimates for a proper connection at Lockport with the sanitary and ship canal constructed by the sanitary district of Chicago. The conclusions of the board are as follows: The existing project for the improvement of the lower Illinois river if extended to Lake Michigan by the eight foot project along the upper Illinois and Desplaines rivers on which the board submits estimates, is ample for all existing river navigation in the Mississippi valley or any improvement thereof authorized by congress; any extension of lake navigation inland along the Desplaines and Illinois rivers will require a navigable waterway not less than 14 feet deep; the cost of such a channel is not likely to fall short of \$30,000,000; a waterway for lake vessels extending only to the mouth of the Illinois river will not develop commerce that will justify such an expenditure and that this improvement by itself is not advisable.

The board recommends therefore that no further survey of the Desplaines and Illinois rivers be made unless in connection with a project to be authorized by congress which shall include provision for a corresponding depth of water in the Mississippi below the mouth of the Illinois.

Dixon Divorce Decree.

Boston, Dec. 19.—Judge Fessenden filed his decision in the divorce proceedings of the Rev. Dr. Joseph Dixon, formerly pastor of the Warren Avenue Baptist church, this city, and his wife, Annie, entering a decree in favor of Mrs. Dixon on the ground of adultery. The libel of Mr. Dixon against his wife on the charges of cruelty was dismissed as unproved. Mrs. Ella M. Ammerman, widow of former Congressman Ammerman of Pennsylvania, who died some months ago, was named as co-respondent. The decision. It is said, will play an important part in the contest over the will left by Mrs. Ammerman which bequeathed \$55,000 to Dr. Dixon. Relatives of the woman contest the will on the ground of alleged undue influence.

Booz Investigation.

West Point, N. Y., Dec. 19.—Examination of cadets who were in the same class with the late Oscar L. Booz at the military academy here two years ago was continued by the court of inquiry appointed by the war department to probe the allegation that Booz was brutally hazed two years ago and died two weeks since at Fort Belvoir, Pa. as a result. The classmates of Booz, who number 68, testify that no brutality was practiced at the academy. One witness testified regarding the blow Cadet Keller gave Booz while sparring. The blow gave Booz a black eye.

Colombian Rebels Worsted.

Washington, Dec. 19.—The state department received a cablegram from United States Charge d' Affaires Demunre at Bogota, stating that a great battle has been fought at Glardot Point, Magdalena river, Colombia, which lasted two days and resulted in a decisive victory for the government. It is reported that 600 were killed and many hundreds wounded. Other victories by the government forces of the utmost importance have been announced. The government is celebrating the victories and considers itself greatly strengthened by the success of its arms.

Sydney, N. S. W., Dec. 19.—The Earl of Hopetoun, governor general of the commonwealth of Australia, has requested William John Lyne, the premier of New South Wales to form the first federal ministry. Mr. Lyne is considering the proposition.

Choate Will Not Resign.

London, Dec. 19.—United States Ambassador Chate denies the report that he is about to resign his post, which report he says, is based on the belief that the death of his partner, Charles C. Beaman would necessitate his return to his law practice.

Grand Opera in Maysville.

It is doubtless the first time in the history of our city that such an opportunity to hear grand opera was presented by such artists as compose the International Grand Operatic Company, and the coming of this splendid organization on Dec. 31st has aroused the artistic element among our citizens to a point that augurs well the financial success of the entertainment. It is seldom we are afforded the opportunity of witnessing operatic performances that are given as artistically as this organization is reputed to present, with such artists as Vicini, Tennien, Stephens, Lorraine, Seaton and Gharro. An elaborate program of an operatic nature has been prepared. All the artists have been educated in foreign schools and have sung abroad with success. Every available seat in the opera house should be taken on the occasion of their first visit here, on December 31st.

NEW STATE HOUSE.

Plan To Levy a Small Tax For Next Ten Years To Provide a Fund for the Buildings.

FRANKFORT, Dec. 17.—Kentucky should have better accommodations for its officers than are afforded by the badly kept ramshackle buildings here. A long-headed State official has devised a plan whereby this object can be realized, and in all probability it will be carried through at the next session of the Legislature.

His idea is to increase the present rate of State taxes 2 1/2 cents, from 47 1/2 to 50, and to have the Legislature pass an act appropriating this extra 2 1/2 cents tax for ten years, thereby enabling the State to erect and furnish the State buildings and a Governor's mansion.

According to his calculations the 2 1/2 cents increase will amount to about \$300,000 a year. In ten years the aggregate will be much over \$3,000,000. In his opinion the increase will hardly be felt by the tax-payers, and any contractor would jump at the chance of erecting the buildings under these terms. In fact he would commence work on them as soon as the Legislature passed the act.

There would, he claims, be no necessity of issuing bonds, and in no wise would this plan conflict with the clause of the State Constitution limiting the power of the Legislature to increase the State's debt beyond a certain amount.

FIREWORKS DISPLAY

In Honor of a Newport Bridal Couple. Friends Have Fun at The Newly-Wedded's Expense.

[Times-Star.]

Mr. Charles A. Harton, son of ex-Mayor W. C. Harton of Newport, Ky., and Miss Flora Motterman were married Tuesday evening at the home of the bride's parents, Fifth and York streets, Rev. Dr. Hall of Maysville, formerly of the Fifth Street Christian Church, performed the ceremony. It was the desire of the young people to keep the affair a secret, but Mr. Anderson, to whom the groom entrusted the secret, made all the preparations possible to give the couple a brilliant send-off. Red fire, Roman candles and skyrockets were brought into use, and never was that portion of Newport more brilliantly illuminated. The fellow en players of the groom at the L. and N. freight office were also notified by Mr. Anderson, and they had flairs in good shape when the couple arrived at the Pennsylvania depot. There also a supply of fire-works was let go, and the bridal trunk was liberally placarded with such notices as, "We are married," "Don't we look sweet," "Please don't bother us," "Conductor, please don't let wicked people annoy us," and numerous other mottoes. The couple took their departure for a three weeks' stay at Marshalltown, Iowa.

"OLD BEN HARDIN."

A Bulletin Representative Recalls the Noted Kentuckian's Visit to Maysville.

Noticing an account of the home of the distinguished Ben Hardin at Bardonia a correspondent is reminded of the occasion he came through here to attend a barbecue and speak many years ago.

Everyone was on the tiptoe of expectancy to see the famous "Old Ben Hardin," as he was familiarly known, but when he put in his appearance in an old flax-linen suit, much the worse for wear, the ardor of all was very much dampened. This was soon changed into amazement and wonder, though, at his great eloquence and abundant wit.

Dr. Palmer, whose last wife was a daughter of the late Colonel Marshall Kev of this county, married a daughter of Ben Hardin for his first wife.

HIS WELCOME TO OLD AMSTERDAM.

Flowers and Plaudits For Grand Old Man of the Transvaal Upon His Arrival in the Chief City of the Netherlands—Trusts in God.

Amsterdam, Dec. 19.—When Mr. Kruger arrived here he was met at the railroad station by the municipal and communal authorities. Speeches were exchanged in the royal waiting room. A bouquet was presented Mr. Kruger, whose every appearance was a signal for rounds of applause. Very large crowds lined the route to the town hall, where the burgomaster made a speech in which he said he hoped Mr. Kruger would succeed in his efforts to secure honorable peace.

Mr. Kruger, in the course of his reply said: In 1884 we obtained our independence, but that honorable action has been obliterated. The invaders are 10 against one, but we wait the day when God will make known His will. We rely on His help more than on emperors and princes. I have not come as a fugitive but by the order of my government with the object of terminating a war in which the British employ men, women and children against us.

Luncheon followed. Mr. Kruger subsequently visited the headquarters of the South African refugees.

Sufferings of Boer Women.

New York, Dec. 19.—A dispatch from The Hague says pitiful stories reach Holland concerning the fate of reconcentrated women in British camps in the Transvaal. Mme. Harcus of Kimberly, reports the arrival of eight women and 24 children from Potchefstroom by train, who had a terrible tale to tell of how, when they refused to leave home, they were dragged away by Kaifis, thrust into jail and after being kept some time without food were taken by soldiers to Kimberly. When they arrived here, their clothes were in rags, having been torn by soldiers. Two of them had been subjected to indignities. Some of them were widows. Two had husbands in St. Helena. The children were of all ages and mostly barefooted. Another correspondent describes the arrival of six women from the same district in miserable plight. Two women, who had suffered from violence of soldiers, were taken to the hospital for treatment. A nursing sister, who has arrived at Harlem from Africa, gives harrowing accounts of the condition of many victims of soldiers. Another letter relates how two young mothers who were brought into a reconcentrated camp were not allowed to take infants four and six months old with them.

Knox Gives Up the Chase.

London, Dec. 19.—It is reported General Knox has been forced to abandon the pursuit of General Dewet owing to the situation created in Cape Colony by the Boers crossing the Orange river. It is said 3,000 republicans have entered Cape Colony and a similar number have reached Philipstown. The report adds that Dewet with about 4,500 men is northeast of Ladybrand and that an attack on Winburg is momentarily expected.

Lieutenant Sims Honored.

Paris, Dec. 19.—The French government has given the most emphatic denial to the French papers which tried to involve the American embassy in the Paris disclosures in connection with the United States war department's knowledge of French guns, by offering the cross of the Legion of Honor to Lieutenant W. S. Sims, the former United States naval attaché at Paris, who was accused of disclosing secrets. Lieutenant Sims is now on board the battleship Kentucky. As the Lieutenant is a government official he is unable to accept the honor without the consent of congress.

What's the matter with Taylor that he isn't of as much consideration at the hands of Republicans as Yerkes, we should like to be informed?

COL. A. W. HAMILTON is announced for State Senator in the Mt. Sterling district. Col. Hamilton is one of the tried and true Democrats of Montgomery County, and would honor his party and his district.

DEMOCRATS never treated Taylor with one-half the indignity that Republicans have been fit to put upon him for some reason or other in the matter of ignoring his claim to a renomination for Governor and allowing him to remain idle in Indiana, without so much as offering him an office, even.

FORMER President Harrison doesn't entertain a very high opinion of the Hanna-McKinley colonial policy. And former President Cleveland agrees with former President Harrison. "Ex-President Harrison's clear and comprehensive statement of the case," says the Philadelphia North American, "will have great weight in determining opinion that has been in suspension and will be a potent influence upon the future course of the Republican party, which has arrived at the parting of the ways and must choose which road it will take—the path of plain duty and loyalty to American ideals, or the other road to imperialism and tyranny."

PUGH'S CHANCES.

Some Republicans Believe He Is Almost Certain to Get the Federal Judgeship.

"The bill now pending in Congress, dividing Kentucky into two Federal judicial districts, will cause another distribution of pie to Republicans, providing the bill is passed in the Senate," says the Courier-Journal. "The information of local Republicans is that the bill will pass the Senate as easily and as quickly as it went through the House. Going on this belief, numerous Republicans who are out of jobs have begun to lay their fences for the new positions, all of which are regarded as quite desirable. The salaries are as follows: Judge, \$5,000; Clerk, \$3,000, with fees; Marshal, \$5,000; District Attorney, \$5,000; Assistant District Attorney, \$2,000; Commissioner, fees.

"Republicans here are of the opinion that Congressman Sam J. Pugh, of the Ninth district, is certain to be appointed Judge by President McKinley. They give many reasons for the belief. In the first place, Mr. Pugh applied for the Judgeship when Judge Barr retired. Mr. Evans had just been defeated for Congress by Mr. Turner, and the President, appreciating Mr. Evans' services to the party, seized the opportunity to take care of him by making him Federal Judge to succeed Judge Barr.

"Mr. Pugh has always been in the President's favor and he has just been defeated for Congress for James N. Kehoe. He has always been a staunch Republican and has always been found on the side of the administration with his vote. On account of Pugh's defeat the President was anxious to appoint him Revenue Collector to fill the vacancy caused by John W. Yerkes' appointment as Commissioner of Internal Revenue. This showed the President's desire to provide for him.

"Mr. Pugh has never pressed his claim for the place, holding off to see if the Judicial bill passed. Consequently it is claimed that he is in a splendid position to land the plum."

The Hon. Jesse Ellis, of Aberdeen, yesterday rounded his seventy-seventh year, having been born Dec. 19, 1823. Many of his friends and fellow-townsmen called upon him with congratulations and best wishes, and an eloquent friend from a distance sent him a bottle of good old Monongahela whiskey made at Albert Gallatin's distillery when that gentleman was Secretary of the Treasury almost a hundred years ago; together with a note saying that it was "some of the best old stuff that ever drove the skeleton from a feast or painted landscapes on the brain of a man—the mingled souls of wheat and corn—and that in it he would find the sunshine and the shadow that chased each other over the billowy fields, the breath of June, the carol of the lark, the dew of night, the wealth of summer and autumn's rich content all golden with imprisoned light!"

J. WESLEY LEE,

THE CLOTHIER AND FURNISHER.

Immense!

More so than ever before is the enormous stock of goods I carry, but you can only get a faint conception of the magnitude by coming and seeing for yourself, which all are specially invited to do. Being encouraged by my largely increased business of the last year my purchases for the season now at hand have been enormously heavy in order to meet the rapidly growing demands of my trade, which is not now confined to retailing exclusively, but I have a large and steadily growing

WHOLESALE TRADE,

Which has to be supplied with the better class of goods, that are not to be found in many of the jobbing houses. I was early in the market, which enabled me to make my purchases—exclusively for cash—before the advance in prices of many of the leading articles. Therefore, I am prepared to successfully meet any and all competition. I handle nothing but the best goods, all of which I buy directly from the producers in large quantities at prices as low as any jobbing house in the State. I am always in position to sell the very best goods at prices as low, or even lower, than you pay for common, stale and trashy stuff at other places; besides I carry in stock many articles that can't be found in any other store in our city. Special attention is called to my very large and superior stock of

New Crop Plantation Molasses, Pure Lewis County Sorghum,

Green and roasted Coffees, Sugars and fine Teas, immense stock of canned goods of all kinds, pure Maple Syrup and Sugar, the finest brands of Ham, Breakfast Bacon and Leaf Lard, put up specially for my trade. Pure Buckwheat Flour, Pancake Flour, Whole Wheat Flour, Graham Flour, Cereals of all kinds, Poultry, Games Oysters, Cranberries, Apples, Oranges, Lemons, Bananas, Figs, Dates, Raisins, Citron, Lemon and Orange Peel, Olives, finest Cream Cheese, Edam Cheese, Pine Apple Cheese, Mince Meat, Preserves, Catsup, fine Pickles—sour and sweet—in fact everything in eat of the very best. In addition, and specially for the holiday trade, I have laid in an immense supply of

Candies, Nuts, Fireworks,

which will be sold at net cost to my customers as a Christmas treat. And don't forget the Perfected Flour, the best and that my fine blended coffee has no equal.

People from the country are invited to make my house headquarters when in our city. I run two delivery wagons regularly and all goods will be delivered to any part of city promptly. Come if you can, but if you can't come call up PHONE 33.

FRANKLIN-COX NUPTIALS.

A Popular Couple Quietly Wedded Wednesday Afternoon at the Home of the Bride's Mother.

The drawing room of the Cox residence on East Third street yesterday afternoon was thronged at the hour appointed for the marriage of Miss Elizabeth Thomas Cox to Dr. DeWitt Clinton Franklin.

Promptly at 1 o'clock the bride entered upon the arm of the groom, and, passing through the crowd of smiling faces, to the bay window paused before the Rev. Dr. J. C. Molloy, who pronounced the solemn words of a beautiful marriage ceremony.

After a few minutes spent in receiving the hearty congratulations of their many friends, the happy pair passed out and entering the carriage in waiting, were driven to the C. and O. depot, where they took the F. F. V. for an eastern tour.

The bride was handsomely gowned in a tailor costume of rough brown cloth, with gloves and hat to match, and carried a bunch of long-stemmed roses. She is a daughter of Mrs. Mary (Thomas) Cox, and a woman whose many Christian graces have won her a warm place in the hearts of her large circle of friends.

The groom is one of Maysville's most worthy young men, and has for years ranked among the city's leading and most successful dentists.

The happy couple will take into their new home many beautiful souvenirs of the kind regard in which they are held, the wedding gifts embracing elegant articles in silver, china and cut glass.

River News.

Stanley up to-night for Pomeroy and Sunshine down.

The Keystone State may have to go to the bank for slight repairs to-day, and it is the does the Virginia will be to-night's packet for Pittsburgh.

The heavy fog Wednesday hung over the river until nearly noon, greatly delaying all the packets. The Sunshine and Queen City passed up about 11 o'clock, but the Bonanza did not pass down until nearly 5 o'clock last evening.

Negotiations are under way for the purchase of the Barrett Towboat Line, of Cincinnati, by the Southern Coal Company, of New Orleans. Capt. W. F. Howell, a representative of the latter firm, has been in conference with Capt. Oscar Barrett, trying to close the deal. The Barrett line consists of four boats, the Uncle Sam, Edmond, T. H. Davis and Beaver and twenty-five barges. Capt. Howell's company is engaged in exporting coal to foreign countries. The Barrett line is holding out for a larger sum than first offered.

Death of Mrs. Mary F. Alexander This Week at Her Home in Christian County.

Mrs. Mary F. Alexander, well-known in this county, and who visited here the past summer, died at her home near Hopkinsville the past week.

Mrs. Alexander was about sixty-three years of age, and was a native of this county, being a daughter of the late Isaac Lewis and Sarah Brent. She had lived in Christian County for many years. She was a very excellent and accomplished lady, and leaves many friends and relatives here to mourn her loss.

FACTS AND FICTION.

Experience of Maysville Citizens Are Easily Proven to be Facts—Outside Testimony is Apt to Savor of Romance.

The most superficial investigation will prove that the following statement from a resident of Maysville is probably true. Read it and compare evidence from Maysville along with testimony from outside places, published side by side with this in the columns of this paper. Investigate still further and you will be surprised at the number of people in Maysville, who re-echo what this citizen says. Mr. W. H. Paul, of Market street, near Third, says: "I procured Doan's Kidney Pills at J. Jas. Wood & Son's drugstore, corner of West Second and Market streets, and one box cured me of pains in my back and other evidences of a disordered condition of the kidneys that had given me much trouble for two years or more. This statement of fact is the strongest endorsement Doan's Kidney Pills could have as to their wonderful value."

Mr. James Sloop died last night at 10:55 o'clock at his home on West Third street after a lingering illness, of cancer, aged about sixty-five years. He came here from Blue Licks. "I have never been able to understand," says Uncle Russell Sage, "why the young men of to-day deem the theater an absolute essential in seeking diversion. An evening with a good book is, or ought to be, more satisfying to the man of brains than an evening in a hall where a lot of make-believe characters are strutting up and down the stage, like children at a masquerade."

You needn't look for Taylor back from Indiana in a hurry simply because he went there in a hurry, and the same reasons that drove him off stand in the way of his return. Many "Full Dinner Pails" at Portsmouth Are Now Empty.

The city of Portsmouth will offer for sale at public auction, Monday, December 24th, a large stock of "Full Dinner Pails." This stock has been greatly damaged by the recent actions of the trusts. They are battered, mashed, full of holes, rusty and otherwise dilapidated. The terms of this sale are cash. No "trust" goes this time. This sale is made to satisfy the claims of Republican bankers and members of building associations of Portsmouth. It is expected that they will bid them in as mementoes of the recent campaign. The sale will be cried by a bald headed portly Eagle mill man that lives on south Seventh street, this city. He has had six month's experience and is well qualified.

SEASONABLE SUGGESTIONS.

Dear Santa Claus:

Please do bring me a lot of nice things for Christmas.

Willie wants a pair of Ice Skates, for he thinks there's going to be lots of fun on the ponds from now on.

My big Brother Jack says he saw some of the "dandiest" Pearl-Handle Pocket-Knives the other day that ever "came over the pike," whatever that means. But Jack says so many funny things and is such a tease. He told sister she ought to have a nice Coal Vase and handsome Brass Fire Set for the parlor to "show off" when she entertains her best beaux.

Make mama's happiness complete by bringing her one of those beautiful cases of Triple-plated Pearl-Handle Knives and Forks.

Papa would be so proud of one of those fine Pearl-Handle Razors and grandmother would appreciate a set of nice Scissors.

EDITH.

The one thing needed to make this little miss' letter complete is to tell Old Santa where the choicest stock of these useful goods may be found. An exquisite line is being displayed by the

Women Who Work

Nine out of ten women are afflicted with some of the common ailments known as female diseases. Among women whose employment requires them to stand on their feet or sit in the same position all day, not one in twenty-five escape these troubles. The average feminine constitution cannot, unaided, withstand the strain to which ateady, trying work subjects them. The organs of womanhood are so delicate and finely adjusted that the inevitable result of constant standing, lifting, stooping or straining is displacement of vital parts. The disorder is usually slight at first, but soon develops into irregular or painful menstruation, leucorrhoea or falling of the womb. Wine of Cardui is the right remedy for female weakness. As such it is offered to you. Wine of Cardui will not perform miracles, but it will, if taken as directed, insure painless and regular operation of the menstrual function. It will drive out every trace of leucorrhoea, and will strengthen the ligaments that falling of the womb will be an impossibility. Don't you think it would pay you to try a medicine with such a record as that? You can get a \$1 bottle of Wine of Cardui at any drug store and use it in the privacy of your home.

WINE OF CARDUI

Townsend, Ga., May 18, 1899.

I have been in bad health with falling of the womb, weak back, nervousness and heart palpitation. At monthly periods I would be in bed suffering great pain. Lately I have been taking Wine of Cardui and Thedford's Black-Draught, and they have brought me wonderful relief. I have no pain, and do not stop work at the monthly period.

And all kindred complaints, due to an excess of uric acid in the blood. It accomplishes its wonderful results first, by purifying the blood and counteracting the existing poisons; second, by toning up the kidneys, liver and stomach, and thus enabling them to dispel all foreign and unnatural secretions. ANNOUNCEMENT.

FOR ANNEBOR. I hereby announce myself as a candidate for the nomination for the office of Assessor, subject to the action of the Democratic party. If nominated, I will be elected; if elected, I will faithfully perform the duties of the office,—see the people, and not simply copy the old books. HORD LONG.
